

STEFAN RUMMEL

Contact person

Stefan Rummel has been a Senior Consultant at the permitto Group since 2016. With more than 30 years of experience, he advises and supports our clients in change and transformation processes.

Stefan worked in various management positions in Germany and Austria for top renowned banks before joining the permitto Group. Most recently, he was responsible for the back office at two Austrian banks.

Stefan is a graduate business economist, systemic organizational consultant and business mediator.

He supports managers as a coach and mentor and performs various board functions. Stefan is also certified in personality, team and organizational diagnostics.

In addition to his professional skills and experience, he is characterized by his broad interest in economic and socio-historical processes.
