

JÖRG SCHWITALLA

Contact person

Jörg Schwitalla is Co-Founder and Managing Partner of permitto analytics. With more than 30 years of experience, he advises his clients on the professionalization of HR organizations, change and transformation processes as well as board and leadership topics.

Before joining permitto analytics, Jörg held various top management positions as Board Member for Human Resources, Purchasing and Audit at MAN SE (DAX30), Board Member for HR, Operations and Integrity at Rolls-Royce Power Systems AG (MDAX) and Managing Director for Human Resources at the Brose Group of the Brose Group.

During his time at Rolls-Royce Power Systems, Jörg was also President of MTU America.

Jörg has held various supervisory board mandates worldwide as well as mandates at international universities.

In addition to his professional skills, he is characterized by his proximity to the business and his many years of practical management experience at the highest level.

Jörg holds a degree in business administration and is certified in change management as well as personality, team and organizational diagnostics.
